Shoo Mama's

~farm fresh café~

Shoo Mama, that sure was good!

It is our love of home-cooked, farm-fresh food that inspired us to open Shoo Mama's Farm Fresh Café. We both spent plenty of time on our grandparents' farms when we were growing up. Those experiences, combined with many years in the restaurant business and two Environmental Science Degrees are what drive us to bring the best, freshest, organic and locally farmed food to our customers.

We hope you enjoy our café as much as we do.

Enjoy!
Lynn and Becky
